Banquet Ticket Distribution

Each company will have **10 seats (including students and recruiters)** at the banquet. We will provide you with the appropriate amount of student invitations before the career fair starts, and you may hand these out to students you would like to get to know better at the dinner and reception. Students will be given the option to accept or decline the invitation at the help desk and exit booth. If an invitation is declined, we will send it back to your booth so that you may hand it out again. Please make sure that you hand out your invite in a timely manner so students have time to respond.
