

# XFAIR 2015

**FEBRUARY 2, 2015**

---

## Banquet Information

### **MIT MEDIA LAB**

**6:00 - 6:45PM**      Networking Reception

**6:45 - 8:30PM**      Banquet Dinner

The banquet is an excellent and unique opportunity for sponsors to connect with students. During the fair, you'll have the chance to invite students to join your company's table at the banquet. The night kicks off with a networking reception, followed by a buffet dinner.

## BANQUET INVITATIONS

Each company will have **10 seats (including students and representatives)** at the banquet. We will provide you with student invitations before the career fair starts, and you may hand these out to students you would like to get to know better at the banquet.

Students may accept or decline the invitation at the help desk and exit booth. If an invitation is declined, we will send it back to your booth so that you may hand it out again. Please make sure that you hand out your invite in a timely manner so students have time to respond.

## PARKING

Free parking is available near the back of the Media Lab and near Kendall Square, behind the area of of Cosi and MIT press store.
